

## **Victims say our Church does not care about them ...**

**Help these people feel  
part of our church  
community**

Add to the intentions at Mass on Sundays when we normally pray for the sick and deceased (add to boilerplate):

**“We pray for all victims of  
violence and their families”**

Show them we, as a Catholic community, care

Remember the Victims of.....

- ◆ Crime
- ◆ War
- ◆ Domestic Violence
- ◆ Abuse & Discrimination
